## Famous PEOPLE Players' EDUCATION PROGRAM

Sponsored by

Imagine a classroom that is dark, and the lights and colour are the teacher. This is where everything you learn defies gravity before your eyes.

**Next to the moon and the stars this is the best thing to see in the dark.**

Famous PEOPLE Players' educators of the future are proud to announce their new school programs and workshops, this is *Where Special Happens*.

Students will discover the universe within and the possibilities of their future.

Through entrepreneurship, imagination and excitement we invite children of all ages to enter the world of imagination.

**Even teachers will unleash their inner child.**

*"Imagination is everything.  
It is the preview of life's coming attractions."*  
Albert Einstein

***Embrace the person that bullies, by showing them how to take the right path in life through problem solving. No matter who we are, or where we are from, every student is our future!***

## THE ANGEL IN THE WINGS PROGRAM

It's volunteerism at its best. It's giving, sharing and supporting someone that you meet on your journey in life. Become a co-op student and discover who you are, where you need to go and how you are going to get there.

*"Experience is the harvest of life, and every harvest is the result of a sowing. The experience which young people must crave is that of success in some service for which they are naturally fitted."*  
Henry Ford

**Contact our Educational Department at  
416-532-1137 ext. 51 for further  
information.**

Famous PEOPLE Players works with each educator to customize the program to suit the personal needs of the classroom that he/she teaches.

*"As a graduate of Famous PEOPLE Players program I went from my crossroads in path to now owning my own business and I love everything I do because Famous PEOPLE Players showed me to believe in myself and not be afraid to make my dreams come true."*  
Maria Beroine
