Imagine you have two pockets.

One is full of loose change from which you give what you can afford.

The other holds your assets. When you reach into that pocket you can help change someone's life to one that makes them stand proud. This is what makes our legacy secure and strong. We carry you with us into the future.

Our **Succession to Success Program**, FPP's legacy, is our gift to the Future. Your bequest is the gift that helps unlock a door and help make this world a better place so our PEOPLE can fly.

Why is this important? There are many reasons.

In some countries people with disabilities are treated inhumanely and hidden. This "Canadian treasure" helps make changes as we bring integration to the forefront of the world by assisting countries who reach out to us.

For our players this is their world. Square pegs that can't fit into round holes, they find a place where they can fit, and they help create a world... *where special happens.*

Where would they go if there was no FPP to develop their life skills? Many of them have found an accepting, nourishing and loving place in FPP.

Discouraged parents come to us after medical professionals diagnosed their child with a disability. They are encouraged when they learn about FPP and discover a future for their son or daughter.

We look forward to this exciting future.

Bequests provide a means for remembrance well into the future as Angels who gave wings to help people fly.

Every time we hold hands and take our Company bow, we bow to those who are now gone, but never forgotten.

Famous PEOPLE Players... where special happens.

Famous PEOPLE Players, a black light theatre company, was founded in 1974 by Diane Dupuy, a member of the Order of Canada.

First discovered in 1975 by Mr. Showmanship "Liberace", FPP also performed at Radio City Music Hall in New York and on Broadway to rave reviews. Actor Paul Newman through Newman's Own generously built our Dine & Dream Theatre in Toronto where people come from around the world to experience a living dream. His memory is with us today in our Newman's Own Kitchen.

When Henry Kissinger first opened the doors to China, FPP was the first Canadian theatre group of its kind to be invited to perform.

Famous PEOPLE Players have performed all over the world raising money for charity through their performances to assist the integration of special needs people into their communities.

Kobe, Japan reached out to FPP to give performances to raise money to build houses for the children who lost their families after they suffered a devastating earthquake.

Here at home, Famous PEOPLE Players was honored with the first Lieutenant Governor's Award for the Arts, for building exceptional and private sector and community support.

Our kind and generous donors, the soul of our Company, have invested in our dream - and through our dream have helped a thousand dreams unfold.

"A small body of determined spirits fired by an unquenchable faith in their mission can alter the course of history."

Mahatma Gandhi

We inspire PEOPLE to achieve more.

People from all walks of life knock on our door, looking for a place to discover their hidden talents. FPP is a haven where they are embraced and encouraged. Through the backdrop of our highly disciplined arts program, from theatre to culinary training, life skills are enhanced to find their way out of the dark.

Thus, the human journey begins!

Imagine the possibilities: A young person comes to FPP to join the **Exceptional Achievement Program**, a program that gives them the courage to make their dreams come true. The program's objectives are to help them develop theory and practical life skills through culinary arts, theatre, and hospitality. We want to help each member of Famous PEOPLE Players attain independence and self-fulfillment.

Everyone learns to overcome their mental challenges, their confusion, their addiction and their fear, and turn them into triumphs! Everyone learns that a positive attitude and hard work is the key to unlocking the dreams within.

How does a donor and bequest help? Meet ordinary people who gave extraordinary gifts.

To think, at one time our players in FPP were labelled "retarded". Now they are the exceptional people who join our Company and... make special happen. How? Because you never know who is in the audience who could surprise us with a gift.

A husband and wife came to our show over the years, they were huge fans. A simple, kind couple who donated \$100.00 a year. When they passed away, they remembered us in their will with a generous bequest. We were beside ourselves with joy!

Another fan of the Company loved coming to the senior luncheons. When she came alone, one of our Players would join her. She never forgot this. "I wish I had money to give you;" she told us. "I just love what you do and how you make me feel like I am a very important patron".

When she passed on, she too remembered FPP in her will. Her bequest helped build our prop department so we can produce new and creative productions that leave the audience spellbound.

Our most generous benefactor blew us away when we were notified that she left FPP a gift in her will that created the Lucil Pratt Lobby.

Today grandchildren come to carry on the tradition remembering when their grandparents brought them to FPP.
